In memory of Chuck Worden
to benefit Make-A-Wish® Minnesota

"Ride for Wishes™" is a benefit that consists of a motorcycle run and street dance that was created by friends and family of Chuck Worden who passed away on July 14th, 2004.

Chuck meant many things to many people. Around the Midwest he was most known for his singing as the lead singer of a Southern Rock band named "Chain Lightning". His deep growling voice belted out the lyrics of well-known artists such as ZZ Top and Lynyrd Skynyrd as well as many songs written by Chuck and other members of the band.

As exciting as this is, to those who knew him well, Chuck was so much more. Chuck was a dad, a fiancé, a confidant and a friend. He did it all with the flare of a Southern Gentleman.

This ride has been created by the friends and family of Chuck Worden as a tribute to the memory of a man who meant so much to so many. All the work is being performed by volunteers, most expenses are being covered by donations, and net proceeds will go to a charity to which Chuck gave so much.

The following are some of the ways in which you can be a part of this event:

- **Corporate/Business Sponsorship.** (This is a good way to align yourself with a great cause and a wonderful way to connect with the community!)
- **Tax-deductible personal donations.**
- **Volunteers** to make the event a success. (Enjoy the camaraderie of other like-minded people while you work alongside other volunteers!)
- **Donation of items** for silent auction and raffle.
